

Cure Your
KITCHEN ENVY

THE **KITCHEN**
SHOWCASE
EST 1984

Get ready...

After weeks, months or even years of watching your friends dazzle you with their showpiece kitchens and gourmet gadgetry, it's time to create a little kitchen envy of your own.

As you think about your first day in your dream kitchen, imagine knowing that every decision you made, every dollar you invested, and every sacrifice you made was worth it. You created a gorgeous kitchen that not only reflects your good taste... It has your friends wondering whether you paid a fortune.

(Your secret is safe with us.)

For over three decades, The Kitchen Showcase has been helping Colorado homeowners, builders and interior designers fall in love with their homes. We are a family-owned business that specializes in best-in-class brands and expert design and service. Because we focus on the best brands per price range, you **get much, much more for your investment**.

If you're craving a distinctive, high-end kitchen that lifts your spirits every time you walk inside (while making brilliant use of your budget), look no further than The Kitchen Showcase.

Visit our showroom and discover a better kitchen today.

for a lot of compliments.

Your budget goes so much further at The Kitchen Showcase. Because we specialize in best-in-class manufacturers for each price range, we have great volume buying power, meaning you get a **superior product for your budget**.

You'll love knowing your stunning kitchen isn't as expensive as it looks... Your friends will be green with envy.

Keep your money in your wallet

No matter how much vision you have, it can be a big leap to picture what your final kitchen will look like.

We have arguably the **best kitchen showroom in Denver**. You can see, touch and experience your design choices first hand. Our experienced designers will show you the best options for your vision, so you feel confident in every decision you make.

Love every decision you make

Even if you have exceptional taste, it never hurts to partner with experts who can help you navigate the design process with ease.

With our **complimentary design services**, you'll partner with a skilled professional who has years of product knowledge and practical experience. Our experts undergo weekly training on new products and trends, so you're on the forefront of kitchen design.

Let us make you look even better

We “make it happen,” taking care of **every detail of your experience**. We want you to spend your time where it matters most, enjoying the important things in life.

From cabinet planning and design, to accurate ordering, to careful delivery and installation, our professionals manage all the details, helping you create a beautiful, highly functional kitchen that’s a perfect fit for your budget and lifestyle.

Have every detail taken care of

Colorado's dry climate can wreak havoc on wood cabinets, and every home is unique. Our team has 300+ years of combined cabinetry experience, so we know the right questions to ask to avoid mistakes.

If unexpected alterations need to be made, our **full-time service department** can modify most cabinets in our shop within a few days. (No costly delays!)

We ensure your project goes as smoothly as possible — and not a day longer than necessary.

Minimize your surprises
